

Musang King Durian Orchard

Visiting a durian orchard or a durian farm in Malaysia is definitely a must-have experience for every durian lover.

Hey all fellow durian-loving buddies! It's so good to see you here... well let's cut the chit-chat because the YEAR-END DURIAN SEASON IS HAPPENING! So chop chop! Let's get ourselves ready for the upcoming durian hunt!

You might already know, but in case you haven't, this year the mid-year durian season reach its peak later than usual due to unfavourable weather conditions brought by El Niño phenomenon. The supply has shrunk compared to the last few years, leading to a price hike for all types of durians... but who are we kidding, it's durian after all so SHUT UP AND TAKE OUR MONEY!

This year end, instead of going through the hassle of durian stall hopping in the city, We are planning for a trip to one of the **durian orchards in Malaysia** to taste the durians fresh and firsthand. Every durian enthusiast is welcomed to join us at the much-anticipated durian feast!

Please feel free to join our **Hunt of the Musang Durian** in December 2017. Call/Message us at **+6598209722** or **+6598304975**
